This comfortable, spacious backpack is stylish and durable at an affordable price.

The effective padding in the special Notebook compartment surrounds and protects the Notebook completely. The Notebook security strap offers additional safety by keeping the Notebook in place. Moreover, the two-part compartment also offers room for further documents. The multiple compartments on this backpack can hold mobile equipment, large file folders and personal items. There is even a protected multimedia pocket for MP3/CD players featuring a water-repellent cable opening for headphones.

The Venture backpack is equipped with ergonomically formed shoulder straps including a detachable cell phone or camera pocket as well as breathable back padding. The adjustable chest and hip straps make for secure fastening and exceptional comfort during transport. Due to its water-repellent, durable material the V7 Venture Backpack offers additional protection for the Notebook and mobile equipment.
